小福家書(十月)

尊敬的家長／監護人：

開學至今已逾一個月，學生們的學習進展順利，在此向大家分享一些學校近況。

一、學校的 STEAM ROBOT TEAM 在 2024 年亞洲機械人大賽取得第一名及第三名，獲得代表香港出線韓國 EJ CUP 比賽的資格。

二、中一級的周六英語課已展開，學校聘請了兩位校外外籍英語老師輪流任教。

三、學校一直秉持「以非凡努力，創驕人成績」的精神，中六級學生已開始夜自習，每天放學後溫習至傍晚 6 時。此外，學校還為中六級學生安排了兩個 DSE 英文特訓班，分別於周六或 12 月長假期進行，希望能幫助學生考取英語 3 級或以上成績。

四、學校在 10 月 18 日舉行了校外考察日。中一級學生到深圳參加了三日兩夜的多元智能訓練營，學習自律和與人溝通。同時，英文科舉辦了新加坡英語考察團，讓學生到訪當地兩間中學，與同年紀的學生以英語交流，學生都表示獲益匪淺。每位同學都提交了一篇學習紀錄，現於文末附上其中一篇供大家閱覽。家長也可透過 FACEBOOK 或 IG 欣賞學生生活活動相片，衷心希望大家能讚好支持(LIKE)，給予同學鼓勵。

為進一步提升學生對英語的興趣，本校計劃於 2025 年 7 月 8 日至 22 日（暫定）舉辦海外英語學習團，初步考慮地點為英國或澳洲，預計每位費用約 3 萬元。如果家長有意為子女報名，請於回條上回覆，學校稍後會提供更多資料。

下周一便開始統測，希望各級同學都認真對待，全力以赴，考取好成績。

祝
生活愉快

附件: 新加坡英語交流團 學生分享 (written by F5A 18 Eric)

First and foremost, I had an immensely enriching experience during our four-day study tour to Singapore, accompanied by our principal, teachers, and fellow students. I extend my sincere gratitude to everyone involved in organizing and executing this remarkable trip.

Among the various activities, the most valuable aspects of the tour were the visits to Yishun Town Secondary School and Mayflower Secondary School. The students we encountered were exceptionally welcoming and demonstrated a high level of hospitality, greeting us with waves and personalized name boards before we even disembarked from the bus. Their warmth and kindness set a commendable example of the importance of hospitality and cultural exchange. During conversations with my buddy, I realized that in spoken English, fluency holds greater significance than grammatical perfection; consistent practice is key to enhancing language proficiency. Following an enjoyable hands-on activity, I exchanged contact information with my friend via Instagram and formed a new friendship with an Indian student named Subra.

Singapore is a vibrant and prosperous nation, characterized by its rich multiculturalism. The diverse population offers an exemplary model of inclusivity, encouraging us to adopt broader perspectives in our own lives. Moreover, Singapore is often referred to as the "Garden City" due to its extensive integration of greenery into urban infrastructure, such as Jewel Changi Airport and Gardens by the Bay. This thoughtful urban planning not only enhances the aesthetic appeal of the city but also contributes to an extraordinarily refreshing atmosphere. A visit to Merlion Park, an iconic symbol of Singapore, is highly recommended for photography enthusiasts, while history aficionados may appreciate exploring culturally significant areas like Haji Lane.

Reflecting on the entirety of the trip, I can confidently say that it significantly enhanced my ability to communicate in English. The experience reinforced my belief that language skills are best developed through active engagement and meaningful interactions. Additionally, the trip underscored the value of empathy and mutual support, encouraging me to go beyond superficial exchanges and foster deeper connections with others.

In conclusion, this study tour was both intellectually stimulating and personally fulfilling. It afforded me the opportunity to enhance my English communication skills and develop a greater understanding of interpersonal relationships, all while engaging in enjoyable activities. As our principal aptly stated, academic diligence is essential, but so is the cultivation of well-rounded personal development. We should strive to achieve both, regardless of our circumstances or location.
